

Industrially Compostable Paper

Issued to

Nordic Paper Bäckhammar AB

SE-681 83 Kristinehamn, Sweden

Manufacturing site

Nordic Paper Bäckhammar AB, Öståsgatan 25, SE-681 92 Kristinehamn, Sweden

Product name and description

Kraft paper designated iamKraft Bio® with a basis weight of 60-130 g/m².

Certification

The product described above fulfils the requirements for industrial compostability in RISE Certification rules for Classification for compostable material and products, SPCR 141, specified in appendix 1 - Industrially compostable materials and products – Requirements and test methods.

The certification rules SPCR 141 are based on the European standard EN 13432. The kraft paper, iamKraft Bio in this certificate comply with the requirements for products according to EN 13432.

Marking

Products fulfilling the requirements may be marked with RISE certification mark. The marking can be placed on the product and/or on the packaging and/or on delivery bills. The marking shall also contain the number of the certificate, the name of the certificate holder, the name or designation of the material, classification, and batch number or equivalent. If the marking is placed on the packaging, it shall be made clear that it is the content and not the packaging that the marking refers to.

Validity

This certificate is valid until not later than 2028-06-30. The validity of this certificate can be verified by RISE.

Miscellaneous

The manufacturer's in-house inspection is under surveillance by RISE in accordance with section 4 and 5 of SPCR 141. Other terms and conditions are set out in section 6 of SPCR 141. This certificate was originally issued 2005-06-30, this issue supersedes previous issues.
